
Luis Yoshi Debat

Full Stack Web Developer

Portfolio: yoshidev.app - GitHub: github.com/LYoshi02

LinkedIn: linkedin.com/in/yoshidebat/ - Email: yoshiwebdev@gmail.com

I am a web developer with over two years of professional experience and more than five years of personal experience in the field. My goal as a professional is to deliver value to the company by creating high-quality software and following good development practices and principles.

WORK EXPERIENCE

Full Stack Web Developer - Softtek

NOVEMBER 2022 - PRESENT [Argentina] [Health Services, Software Consulting]

Responsibilities:

- Actively learn and adopt technologies and tools defined by the team.
- Successfully develop new features and fix bugs to improve and extend system functionality.
- Conduct research and proof of concepts for introducing new technologies to the project.
- Collaborate with other team members in the design and implementation of medium to large-scale functionalities.

Achievements:

- Contributed to the project's growth through research and testing for the integration of new technologies. As a result, there was a significant improvement in the system's functionality and increased customer satisfaction.

EDUCATION

Bachelor's in Systems Engineering - Universidad Gastón Dachary

JANUARY 2020 - PRESENT [Posadas, Argentina]
